Advisory for Sudanese nationals applying for Indian visa

The Embassy of India in Sudan, which is currently operational from Port Sudan City, have resumed visa services from 27 May 2024. Sudanese nationals are, therefore, advised to approach the Port Sudan office instead of travelling to Juba for Indian visa (email addresses: cons.khartoum@mea.gov.in and hoc.khartoum@mea.gov.in, Embassy website page: <https://eoikhartoum.gov.in/indian-visa.php>, visa application link: <http://indianvisaonline.gov.in/visa/>).

Sudanese nationals who are resident in South Sudan may continue to apply for visas at the Embassy of India in Juba.
